

Adventure

From \$2,799

*Rodriguez Adventure™ - The classic touring bike*

When you say "I want room for fenders and touring tires, mounts for rear and front racks, a comfortable ride, mounts for 3 water bottles and a custom frame hand made in the U.S.A".... What I hear you saying is that you want a Rodriguez Adventure™.

- Built to ISO standards - Serviceable anywhere
- No limits - Choose your wheels (26" or 700c)
- Triple front crank for gear range over 600%
- Hand crafted in Seattle for your unique needs
- No compromise on comfort - It's just your size!
- Seattle commuter's favorite ride
- Much lighter weight than other touring bikes
- Anything else....Just ask!

Don't Waste Your Money - Why buy a heavy, uncomfortable, poorly

designed touring bike made overseas? For the same price, you can afford a comfortable, custom Rodriguez Adventure™ built just for you, from a company that's been building them in Seattle for 46 years now.
