## ***NUTS RIDE SAT. MAY 16***

***Meet at Lake Wilderness Park in Maple Valley at 9:30 AM***

Tim and Denise Halstead will lead a 40 mile loop past the scenic Green River Gorge on the quiet back roads of South East King County. Enjoy a lunch/snack stop at the famous Black Diamond Bakery, at the half way point. Fairly easy ride with a couple of moderate hills. Good tune up for the Northwest Tandem Rally.

**Please RSVP to Tim or Denise @Thalst8832@aol.com or 425-432-6866.  
They will also provide directions to the park.**

## GO N.U.T.S. AT WORK

Do you have co-workers that wonder about tandem riding? If you think it would be fun, we could meet you at your work (even after hours now that it is light) and bring some tandems with us. We'd give some tandem riding lessons and let your buddies experience tandem riding first hand. We'd also be available to come to your church group, golf club, etc. If this interests you at all, give Dan or Estelle a call

at 206-527-1384.

## Do You Read the Wall Street Journal??

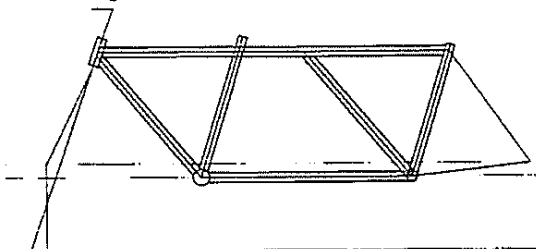

Estelle, from R+E, was recently interviewed for an article the Wall Street Journal was writing about tandems. The only problem is she doesn't get this paper. So, if you get it, and see the article, please clip her a copy. We'll highlight the article in the next newsletter.

## Where's Willie Weir?

As Willie announced in the N.U.T.S. meeting, his next big adventure will be touring Cuba! Willie and his wife, Kat, will be touring Cuba on a Rodriguez S&S tandem. Their tandem will be a lesser expensive version of the Rodriguez 8-ball. It will be able to fold down into a 27"X 27" suitcase for easy travel, and will also be convertible to a single bike.

The progress report shows the state that the bike is now. It is an idea drawn on paper. Here is a scan of the drawing.

## Say Cheese!

Every year at the Northwest Tandem Rally a group of RODRIGUEZ tandem owners gathers for a photo. This year it will be held at Sat. 9:15 am at the clock tower in River Front park. We'll even have large envelopes

# RODRIGUEZ

## New Jersey??

Don't knock it, it's Estelle's home state. But better than that we have new sublimated RODRIGUEZ jerseys and they are way cool. We don't have a whole lot of them (but we do have separate men's and women's sizes) so stop by R+E before they are gone.
